MIKE'S FLIGHT

Yesterday, my friend Mike flew from Madrid to Paris. He woke up at 5:30 am, took a quick shower, drank some coffee, and left his house. Mike drove to the airport for almost 1 hour. When he got there, he parked the car and checked in. Then, he had breakfast and waited for his flight. The plane departed on time and arrived two hours later. Finally, he took a taxi from the airport to the hotel.
